**Sunday November 20 2016**

God of Love, we adore you because you want to spend time with us. You gave us the Sabbath so that we might have time to be with you. May we, your servants, use the Sabbath to lift you up and give you all our adoration so that your glory would be seen in our worship. In Christ's name. Amen

**Monday November 21 2016**

Wondrous God, we adore you because your love never runs out, even when we sin and stray from you your love seeks us out and draws us back. May we never leave your presence. In Jesus' name. Amen

**Tuesday November 22 2016**

Father who gave his only Son to hang on the cross, because your Mercy is always ready to be given out. We adore you, because in our wretchedness your mercy overwhelmed us and we were brought into your family. In Jesus' name. Amen

**Wednesday November 23 2016**

Creator God we adore you because we can know you as Father, Guide and Lord. We adore you because when we feel lost, you are there to guide the way; when we stray, you lovingly chastise us and bring us back to you; when we feel alone you remind us that you are our Father and would never leave you. May the people of the world come to know and adore you as we do. In Jesus' name. Amen

**Thursday November 24 2016**

O Eternal One, the Father of our Lord Jesus Christ, we adore you because you gave Jesus your only Son, to be our Saviour and Friend. In our wretchedness Christ died to save us from our sin. O blessed God may we love you like you have loved us, through Jesus Christ our Saviour. In Jesus' name. Amen

**Friday November 25 2016**

God of Love, we adore you because of your great forgiveness.  
We strayed from you and you forgave us.  
We cursed you, and you forgave us.  
We cause hurt to others in your name, and you forgave us.  
We use your name for our own gain, and you forgave us.  
Teach us to forgive others as you have forgiven us. In Jesus' name. Amen

Creator we love you because of your wondrous Creation. You gave us the world and all in it for our provision and needs. You honored us with the responsibility to care for your creation. Increase our love for you that in all we do we may honor your love by caring for your creation and serving humanity as your servants. We love you O God, we adore you O Christ, through the power of the Holy Spirit we pray. Amen
