Sunday Services at Christ Church Cathedral and Church of Northern Apostles will be at 10:00 am

Christ Church Cathedral's 8:30 service will continue each Sunday during the Summer.

Wednesday evening services at Christ Church Cathedral or Church of Northern Apostles are at 7:00pm.

*The W or S before the dates are for either Wednesday or Sunday.

You will note there are some differences in the format since as of May 1st we will be reverting to the alternating services between the cathedral and Northern Apostles. The celebrating clergy and ministers may change a little bit until we get into the new groove, but unless notified differently, the supporting volunteers will remain as indicated. I have done my very best to be fair assigning the volunteers and supporting help so that everyone will have an opportunity to assist. Changes are always possible. If I have left your name off the list in error, please come and see me and I will try to amend the omission.

Sunday 8:30 services at the Cathedral will continue as before for the time being.

10:00am services will alternate between the Cathedral and Northern Apostles as indicated by the CCC for the Cathedral and NA for Northern Apostles.

The "W" in front of the date means the service is on Wednesday evening at 7:00pm.

The "S" in front of the date mean the service is on Sunday at 10:00am.

If transportation is required to Northern Apostles, let us know and we will make every effort to accommodate you.

If you have questions, and I know many of you will, please call the office from Tuesday to Friday, 9:00am to 12:00 noon. We will be most happy to answer all your questions if we can.

--

Blessings,

Monica Dempster

Parish Secretary

Christ Church Cathedral
